My house is in King's Street. It's opposite the playground, next to the supermarket.
My favourite place in our town is the park.

This is how you can get to my house from the school. Turn right at the bus stop and go straight on. Then turn left at the library. Go straight on, across the bridge. My house is on the left. It's Number 10, Green Street.
My favourite place in our town is the zoo. I often go there at weekends.
