**Hi, I'm Amy and I live in Florida.**

The weather here's fantastic. There's one problem: sometimes we get hurricanes.

Hurricanes are very strong winds. When there's a hurricane there's no school. Can you find my photo?

**Hi, I'm John.**

I live in Ireland. It rains a lot here. It rains in winter, in spring, in summer and in autumn.

It's always green here. When the grass is wet it's fun to play football. Can you find my photo?

**Hello, I'm Judy.**

I live on a farm in Australia. In summer it's very hot. Then the grass is brown and very

dry. Sometimes it rains in winter. Can you find my photo?

**Hello, I'm Mike and I live in Canada.**

There's a lot of snow in winter and it's very cold. I like the winter.

I often play outside with my friends. Can you find my photo?
