Crazy weather

On Monday, it's cloudy,
on Tuesday, there's rain.
On Wednesday, there's sun,
and on Thursday, rain again!

Oh, yeah, the weather's crazy,
it's crazy, yeah, that's true!
Sun, rain, fog or snow?
You never, never know!

On Friday, it's foggy,
it's cloudy and cold;
but on Saturday and Sunday,
there's sun – it looks like gold!
