

Luba's restaurant

Luba's is a crazy restaurant,
Luba's is the place to go.
Luba's is the place for you and me,
come here and you will see!

There is fish in your orange juice
and ice cream on your steak.
There's fruit on your pizza
and salad on your cake!

Luba's is a crazy restaurant,
Luba's is the place to go.
Luba's is the place for you and me,
come here and you will see!

There are nuts in your tomato soup
and coffee on your pie –
and on top of your dessert
there is a fly!
Oh, no!
