

treasure

A Dear Jason!

I've got a present for you. It's in a box. It's under a tree in front of the castle on the hill. Can you find it? It's not very old, but it's very big. There's some treasure in the box.

Can you guess what it is?

There's a beautiful flower in it.

B Dear Amy!

Look for a box. There's some treasure in it for you. Go and find it. It's next to the motorway under the bridge. It's old and not very big. There's something in it for you.

Can you guess what it is?

There's a gold ring in the box.
