Linda, Benny, Max and Dad are in the supermarket. 'We need a deep river here', says Dad. Linda and Benny start to sing. A minute later, they are happy. 'I can dig the hole', says Max. Linda and Benny laugh.

Max makes a monster mask. He goes to the park with it.

Some boys come. They see the mask. At midnight the boys go to Linda and Benny's school. They have ice creams in their hands.

'It must be here', one of them says. They start to swim.

Suddenly they hear a loud noise. 'The fire brigade! Let's run!' one boy says.

Linda and Benny go into the garden.

'Look, there's the hole,' says Max.

'Fantastic, Max,' say Linda and Benny.
