

At school

My favourite subject

I like to run and jump,
I love to score a goal.
I like the sports we play.
We've got PE today.

PE is my favourite subject,
yeah, it's my number one!

Oh, really? Well ...

I like the stories we read.
The songs are really cool.
I love the games we play.
Oh, we've got English today.

English is my favourite subject,
yeah, it's my number one!

Oh, really? Well ...

German, Maths, English, Art or PE,
they're all so cool.

We love school!

... And Music too!
